

The Community Café was set up in March 2015 to make a difference to village life. We are supported by and members of Volunteering Matters Cymru who will help us to maintain our project within the voluntary sector.

We are a partner in the Compassionate Communities Project, an organisation that concerns itself with the well being of local communities, especially in rural areas. Regular visitors to the café are the Community Police Officers, Jude Parr and her colleagues and Michelle Bateman our local Independent County Councillor. Both a source of advice and assistance.

Our customers have supported various charities and we will continue to hold events to raise money for charities and local organisations. Your suggestions are welcomes regarding the sort of recreational activities you would like to see provided or developed from the Friday Venue . The Letterston Book Club was one such development and meets the second Tuesday of each month.

Watch out for our bi-monthly raffles for improved "Paths, Rails and Patio"!
