The Community Café was set up in March 2015, its theme being "Friendship", its aim to make a difference to village life. We are supported by and members of Volunteering Matters Cymru who will help us to maintain our project within the voluntary sector.

The Community Police Officers regularly visit the café as a source of advice and assistance. We occasionally host other organisations/charities that are able to offer support.

Our customers have sponsored various charitable projects and we will continue to hold events to raise money for charities and local organisations. Your suggestions are welcomed regarding the sort of recreational activities you would like to see provided or developed from the Friday Venue. The Letterston Book Club was one such development and meets the second Tuesday of each month. Your feedback is always welcome.

**We constantly need to recruit reliable volunteers who will help us to maintain this Community project. If you are able to offer your time as a volunteer please speak to us.**

Finally, each year we break for Christmas and New Year - i.e. the whole of December, reopening the last Friday in January.
