

Letterston Tennis Courts Proposal to develop a Multi User Games Area (MUGA)

The existing tennis courts at LMH are in a poor state and are barely used. The hall committee and community Council have tidied the facility to make it useable but still not ideal.

We would like to explore the interest in a number of sports and activities.

The proposal would be to replace the courts with a MUGA – Multi User Games Area. The area would be available for use by individuals, sports groups, clubs and schools. e.g. Monday – football, Tuesdays – tennis, Wednesday – volleyball, etc.

Depending upon interest, (& the availability of grants) the facility could have Polymeric or Synthetic Surface -Secure fencing

Please indicate if you would be interested in any of the following all ability outdoor activities. Particularly female groups or teams would be encouraged.

Please tick if you are interested:

Activity	Support the idea?	Interested in playing?	Interested as a club / organiser?
Football 5 aside			
Hockey			
Pickleball			
Basketball			
Volley ball			
Tennis/mini Tennis			
Frisbee			
Netball			
Softball			
Wheelchair Sports			
Fitness Training – rugby etc			
Specify other sport? Other comments on the reverse of this form
